SIGN UP NOW FOR
DILLON'S/KROGER!

How many of you have NOT signed up B&C Equine Rescue Inc as your Charity of choice on the Dillon's app? This includes Kroger too, anywhere in the United States! By designating the B & C Equine Rescue Inc., 5% of all your purchases, including prescriptions goes back to the Rescue! This does NOT affect your fuel points. If you do not sign up a Charity (501c3), then Dillon's will keep that money. In 3 months, the Rescue earned \$354.06! That's an easy way to give back. We are at 88 households. I am challenging everyone to sign up! I want to be at 100 by April 1!! THANK YOU TO EACH OF YOU THAT SUPPORTS THE RESCUE!

No More Amazon Smile

Dear customer,

In 2013, we launched AmazonSmile to make it easier for customers to support their favorite charities. However, after almost a decade, the program has not grown to create the impact that we had originally hoped. With so many eligible organizations—more than 1 million globally—our ability to have an impact was often spread too thin. We are writing to let you know that we plan to wind down AmazonSmile by February 20, 2023. We will continue to pursue and invest in other areas where we've seen we can make meaningful change—from building affordable housing to providing access to computer science education for students in underserved communities to using our logistics infrastructure and technology to assist broad communities impacted by natural disasters. To help charities that have been a part of the AmazonSmile program with this transition, we will be providing them with a one-time donation equivalent to three months of what they earned in 2022 through the program, and they will also be able to accrue additional donations until the program officially closes in February. Once AmazonSmile closes, charities will still be able to seek support from Amazon customers by creating their own wish lists. As a company, we will continue supporting a wide range of other programs that help thousands of charities and communities across the U.S. For instance: Housing Equity Fund: We're investing \$2 billion to build and preserve affordable housing in our hometown communities. In just two years, we've provided funding to create more than 14,000 affordable homes—and we expect to build at least 6,000 more in the coming months. These units will host more than 18,000 moderate- to low-income families, many of them with children. In one year alone, our investments have been able to increase the affordable housing stock in communities like Bellevue, Washington and Arlington, Virginia by at least 20%. Amazon Future Engineer: We've funded computer science curriculum for more than 600,000 students across over 5,000 schools—all in underserved communities. We have plans to reach an additional 1 million students this year. We've also provided immediate assistance to 55,000 students in our hometown communities by giving them warm clothes for the winter, food, and school supplies. Community Delivery Program: We've partnered with food banks in 35 U.S. cities to deliver more than 23 million meals, using our logistics infrastructure to help families in need access healthy food – and we plan to deliver 12 million more meals this year alone. In addition to our delivery services, we've also donated 30 million meals in communities across the country. Amazon Disaster Relief: We're using our logistics capabilities, inventory, and cloud technology to provide fast aid to communities affected by natural disasters. For example, we've created a Disaster Relief Hub in Atlanta with more than 1 million relief items ready for deployment, our Disaster Relief team has responded to more than 95 natural disasters, and we've donated more than 20 million relief products to nonprofits assisting communities on the ground. Community Giving: We support hundreds of local nonprofits doing meaningful work in cities where our employees and their families live. For example, each year we donate hundreds of millions of dollars to organizations working to build stronger communities, from youth sport leagues, to local community colleges, to shelters for families experiencing homelessness. We'll continue working to make a difference in many ways, and our long-term commitment to our communities remains the same—we're determined to do every day better for our customers, our employees, and the world at large.

Thank you for being an Amazon customer.

THANK YOU TO EVERYONE THAT SUPPORTED THE RESCUE THRU AMAZON SMILE!

We have very sad news. Firefly got very sick and was taken to KSU Vet Clinic. Surgery was performed and Firefly was not to be saved. Brenda made the decision to have him euthanized on Jan 5. A necropsy was performed to find out the extent of Firefly's illness. It was determined that he had been sick a very long time but did not show it.

The following is the final bill.

Total was \$6519.56
 I made a down payment of \$3600.
 A credit for \$49.
 Balance due \$2870.56.
 Any donation is greatly appreciated.
 Many Thanks to all of you that have donated.

RIP FIREFLY

Tammy Blaze comes every Thursday and trims 5 horses. Donations are always needed.

Inspire | INSPIRE 302: Caring for our Animal Companions | Season 3 | ...

Brenda was a guest on KTWU "Inspire" Season 3, Episode 2. She talked all about the Rescue, why it is so near and dear to her heart. Everyone can watch this on the internet. It is very good. Check it out! Then if you are so inclined, send Brenda a check, big or small, it all matters, it all adds up! These horses are very blessed to have Brenda! We need to support her any way possible! Thank you!!!!
