*DID YOU KNOW THAT B&C EQUINE RESCUE DOES **NOT** PAY ANYONE? THE RESCUE IS STAFFED BY THE OWNERS, BRENDA & CECIL AND MANY VOLUNTEERS. **NO ONE GETS PAID!** WE RELY TOTALLY ON DONATIONS AND VOLUNTEERS! ALL DONATIONS ARE TAX DEDUCTIBLE!*

Brenda is healing well. She goes back to the doctor on Tues, Jan 3 to get stitches out and find out what her limits are. She is going to the barn but on limited duties!

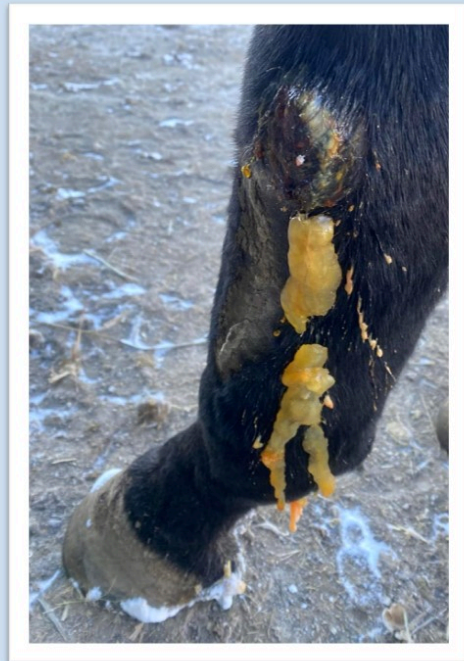

**THANK YOU
EVERYONE! ❤️**

Huge shout out to Debbie Vaughn who organized a meal train for one week to make sure I did not have to cook. Many Thanks to Jill Greer, Laurinda Bedigrew, Brenda Larsen, Joyce Beals, Julie McNickle, Josh & Genevieve Fisher and Katrin Osterhaus for all the delicious food! I will have to take up walking to get rid of the extra pounds I packed on! LOL!!!

Brenda had her right hip replacement done early on the morning of Dec 15 in Topeka. She was back home by later that same afternoon!

There were many volunteers lined up to help Cecil do chores morning and night for all 20 equines. Brenda would like to express her deep appreciation to Amy Bermudez, Ruth Ohm, Jim & Laurinda Bedigrew, Kim Gonzalez, and Genie Allgood, They braved those miserable frigid days to make sure the horses were fed, watered, blankets put on, horses shut in the barn, stalls cleaned and every other day to day thing that needed to be done.

Below: Ranger had an abscess blow open on his back leg. The wonderful volunteers followed my instructions on how to flush it and give antibiotics and bute. It is looking better. Time will tell if Ranger will need to see a Vet.

We welcomed Bud, a 26 yr old Quarter horse and Firefly, a 15 yr old mini to the Rescue on Dec 10.

The owner had fallen ill and cannot take care of them. They were very much loved. Firefly will need to see a vet he has a serious breathing problem. Not sure if it's because he is so overweight or teeth/sinus issues. Bud (teeth picture) has not seen a dentist since he was 15. Both will need to see a dentist.

Prince was not able to be saved on Nov 23. Shortly after getting in surgery at K-State, they got to see the full extent of the damage that didn't show up on ultrasound. There was an impaction and the large colon ruptured. They had no choice but to euthanize him. Prince may not have been at the Rescue long but he was well cared for and loved beyond measure. RIP sweet boy.

Katie, a Goffin parrot also crossed the Rainbow Bridge. She had also not been at the Rescue long. She went from bitter and biting to loving and tender hearted. RIP sweet girl.
