DONATIONS NEEDED

We are looking forward to another great list of Auction Items for this fall again! Please keep the Rescue in mind when you're checking out clearance racks, garage sales, cleaning closets and garages. The items do not have to be new, gently used will work too. All things horse related are always a big ticket item! We have plenty of room to store them. If you have any questions, please call or text Debbie 785.249.1704.

We really appreciate everyone that has donated in the past. Because of YOU, the Auction is a big success!

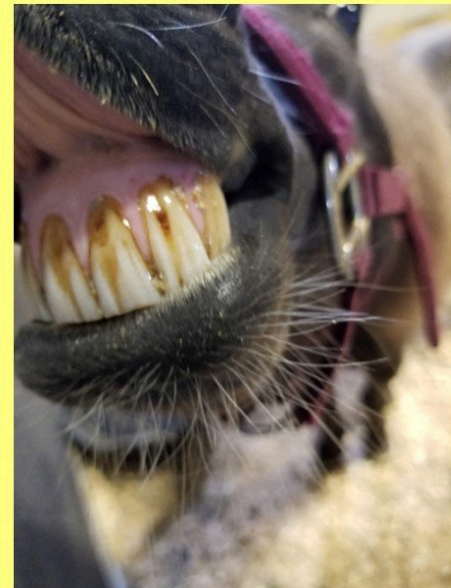

B&C Equine Rescue has been awarded \$1,000 from Patterson Legal Group for the month of May! We are very fortunate to receive this. **THANK YOU PATTERSON LEGAL GROUP!!!**

Brenda's longtime friend Doc passed away on May 17. Brenda was always taking pictures of Doc eating off her plate and drinking out of her cup. Doc, you definitely landed in the right home! We will never forget you and antics. RIP Doc.

Lil Man (above) is still at Heartland Hospital. The plate was taken back out of his leg because of infection. He is not a happy boy. He won't put weight on it. The cast should be coming off soon and then Lil Man will get to come home!

Lil Girl has been staying with her mate these last few weeks. She was ecstatic to see Brenda last week! She says CHEESE!!!

Our blind mare Hope had an accident last week and split her forehead open. Brenda had to take her to Heartland Hospital to be sewn up 15 stitches later.

Meet MAZY! She arrived at the Rescue on Sat, June 4. She is an owner surrender. They did not use her anymore. She was well cared for which is wonderful! Mazy is a 20 year old Reg Quarter Horse. She is well broke for both Western and English. Welcome to the Rescue Mazy!

This Nancy Chamberlain She is adopting Minnie. She's going to use her as a therapy pony. We are just waiting on Dr. Kyle Stromgren to come vaccinate and draw blood for coggins test. Best Wishes to Nancy and Minnie!

The Rescue only feeds THRIVE FEED! Many of the older Equines have little or no teeth. Thrive can actually melt in their mouth to provide complete nutrition! Its great for young & old to grow strong, healthy, muscular bodies.
